Street Archer Run 1.0 is a Free Entertainment App, to download Street Archer Run 1.0 Apk file with direct link, please use the following link 0 Sorry Reviews, your review is too short! High Archers: Archery Game (Mod Unlimited Money) is a time-goer killer where you need to learn to deftly and precisely shoot to defeat your rivals. There are several game mods and many weapons that you can buy on the way. The game mechanics are very similar to Stickman Archer Fight, where also the graphics in minimalism style, there are a large number of locations and enemies. The task is from the first time run the arrow into the body of the enemy, which will not be easy, in the game shop, you can buy additional weapons, such as explosives and shields. Remember that your darts will quickly end, so it's important not to miss your chances and destroy your opponent from the first hit. Property: polygon charts; a large number of weapons and additional sources; complex rivals; easy management.
